

The role of social partners in preventing third-party violence and harassment at work

2021 – 2023

EUPAE

This project has received financial support from the European Union

SCOPE

- Assess Guidelines' effectiveness at the national level and whether further actions might be needed to make their implementation more effective;
- Share experience and good practices in the area of prevention and management of TPV;
- Seek to assess the drivers, scale of and responses to TPV;
- Explore possibilities for a review of the Guidelines' content and nature in light of legislative developments, ILO C190 and other sectoral policy developments or collective agreements

BUILDING BLOCKS

7 WEBINARS

RESEARCH

2 CONFERENCES

WEBINAR OVERVIEW

1. Conceptual review, definitions, trends of third-party violence and harassment, the role of sectoral social dialogue
2. Gender-based violence and harassment
3. Risk assessment, an EU health and safety obligation
4. Digitalisation: increases or reduces risks of violence and harassment
5. Protection & compensation of victims of violence or harassment
6. Public services specificities and EU sectoral social instruments
7. “How to”: concrete session on instruments including the role of social dialogue, and practices and training to support workers and prevent violence

CONFERENCES

Technical mid-term: Focused discussion with sectoral inputs during break-out sessions.

The final conference presents the conclusions and recommendations to the project social partners.

RESEARCH

10 COUNTRIES

2 per region

Better overview of the scale of the problem and its impact and help develop a more systematic way of collecting reliable data.

SECTOR FOCUS

secondary schools

hospitals

prisons

employment services

urban public transport

admin. functions in local & regional government

telecoms
